

Count on Dolphin Water Taxi For Reliable Transportation To and From Jost Van Dyke this New Year's Eve

Whether you refer to December 31 as 'New Year's Eve' or 'Old Year's Night,' each year thousands of visitors descend on the tranquil island of Jost Van Dyke to celebrate the Caribbean's largest beach party.

Traditionally, Great Harbour and White Bay explode with calypso music, libations and tasty local cuisine.

With so many party-goers visiting an island that normally hosts small groups, getting in and out can be a challenge. Lines for the public ferry are first come, first serve with no guarantee for a seat.

Hundreds of boats fill the anchorage — from mega-yachts skirting the exterior to small single engine runabouts pulled up on the beach.

Once you get to the party, it is all great fun and well worth the effort but keep in mind that leaving the island after midnight can be a serious challenge.

Fortunately, Dolphin Water Taxi is providing a way to navigate safely to and from Jost Van Dyke for New Year's Eve.

For years, Dolphin Water Taxi has been shuttling guests back and forth between both Red Hook and Cruz Bay, offering reserved seats in both

directions. The service utilizes smaller boats during daytime runs and a 50-passenger boat for the slightly busier evening hours. For the post-midnight return, Dolphin has chartered a Fast Ferry for its guests in order to whisk everyone quickly back to U.S. customs in Cruz Bay and then on to Red Hook.

Reserved seating for Dolphin's 1:30 a.m. departure from Great Harbour means no waiting in line at the Jost ferry dock.

This year Dolphin Water Taxi has teamed up with Molly Molones and Premier Wines and Spirits to make this year's excursion one big party from start to finish. Trips will begin at 11 a.m. and continue every other hour all day long until 7 p.m. Dolphin passengers will be invited to enjoy a pre-departure 'Bon Voyage Party' at Molly Molones. The restaurant will be featuring great food and live music as well as free Miller Lite, Jaeger, and Jameson shots for

Dolphin passengers.

The 35-minute ride will include complimentary beverages served onboard. Once at Great Harbour, Dolphin passengers also will have the opportunity to enjoy a free Miller Lite at Corsair's and a free Jaeger shot at Foxy's.

As always, Dolphin Water Taxi encourages all guests to "drink responsibly, be respectful, and play safe."

The cost is \$110 per person plus \$25 for customs and fees. Space is limited. Make your reservation now for the Dolphin Water Taxi New Year's Eve trip to Jost Van Dyke, call 774-2628.
